Payment of this Assessment may be enforced by an assessment levied by the Board of Directors of the Tanglewood Community Association, upon the land of the members, which assessment shall constitute a lien upon the land second only to taxes and any bona fide duly recorded first deed of trust. In addition, upon failure of the said Community Corporation to maintain open space areas in said subdivision, the County of Fairfax, acting upon any appropriate authority, may effect such maintenance and its charge and costs therefore, including costs of collection of the same, shall become, prorate, a lien against each lot in the subdivision enforceable as any other municipal lien, such liens, shall, however, be inferior to bona fide first liens.

This annual Assessment shall be subject and inferior to any first Deed of Trust hereafter recorded against said property. The Community Corporation shall be designated by the Grantor and shall maintain the said open spaces and facilities in its own discretion but in such manner as not to become a nuisance or unsightly. Grantee shall have no rights to dictate or require such maintenance or have any rights herein other than the reasonable use thereof, in accordance with the rules and regulations of such community corporation, Grantee, Grantee's heirs and assigns, covenant to use said open space and facilities only in accordance with the rules and regulations which may from time to time be promulgated with reference thereto, and vests the community corporation to be designated by Grantor, its or their successors or assigns, with the power to deprive any persons, including Grantee, members of Grantee's family, Grantee's heirs and assigns, of the use of such open space and facilities, temporarily for infraction of such rules and regulations without impairing the aforesaid obligation to pay such Assessments, or lien therefore; the Grantee agrees that, should the County of Fairfax perform maintenance service on said open space because of failure of said corporation to reasonably maintain the same, Grantee's property in said subdivision may be subjected to a lien for the payment of charges, costs and cost of collection thereof, for the benefit of said County.

The Corporation, as of the first of January of each year, shall estimate and fix the anticipated cost of maintenance and administration of said open space and installation of facilities for that year and assess an Assessment against each subdivision lot as nearly as practical on a pro-rata basis, and the same shall constitute the annual Assessment above mentioned.

4. If the Board declines to enter into the dispute, the complainant retains the right to pursue the matter on his/her own.
